

2018/19 U15 & U16 YOUTH COMPETITIONS REPORT

JTL Fire Limited

Sponsor: JTL Fire Ltd

The sponsorship received allowed us to recognise the winning teams at both the divisional pool stages (6) and in every final of the cup competition (12). In total 18 plaques were presented and will grace 13 different cub houses; 276 medals are now held by proud winners.

It also allowed us to raise the standards of refereeing across the competition and thereby support the Hampshire Rugby Referees with additional 52 games for their members. The youth competition also supported the Young Match Officials programme.

Summary

A number of games were played outside of the RFU CB competitions dates as teams struggled to field teams on Remembrance Sunday, February Half Term (School ski trips) and School Spring Holidays. 10 dates of the available 14 in the RFU calendar were used. Unused days were October half term and the last Sunday of season. Efforts were made to complete the U16 competition as early as possible due to GCSE preparations. The U16 Final had to be moved to accommodate the Premiership Academy fixture weekend that impacted three of the four clubs that could have made that final.
