

Good afternoon everyone,

Welcome to the 2017/18 Hampshire Colts League.

For those of you who were not involved last season, my name is Richard Isaacs and this is my third year of running the Colts League.

I am looking forward to the season ahead - one game has already taken place but the majority of the teams kick off their campaigns this Sunday.

Attached is the 2017/18 result sheet - please can I ask for these to be completed BY **ALL CLUBS - BOTH HOME and AWAY** and sent to me at HRFUColtsLeague@yahoo.com by, at the **VERY LATEST - MONDAY FOLLOWING THE GAME by 6pm**. This will enable me to get a full report sent to the local newspapers and onto the website - and also update the RFU website with the results. As soon as I receive results sheets from BOTH SIDES, I will be posting the score online. Unlike last year, the results will be on the RFU website and the link is below ...

<http://www.englandrugby.com/fixtures-and-results/competitions/hampshire-merit-tables/#/fixtures>

Don't forget that we have our own Twitter address - @HRFUColtsLeague - where I will post updates of scores/tables and a tally, from time to time, of the leading points scorers, generated from the results sheets.

If you have any issues, please do not hesitate to contact me on this email address or via my phone 07801 529515. Please note that I will be away in Kenya from Saturday 23 September to Friday 6 October so please, emails only during this time!!! Please let me - and, of course, the Hampshire Referees Society - know if you are moving fixtures, postponing fixtures or moving kick-off times etc.

Have a great season and I look forward to hearing from you very soon.

Best regards

Richard
